Returning to the simple life

"Ever try to eat a pine cone; many parts are edible, you know." Along with Euell Gibbons getting back to nature, many students got into the natural scene. There were new health food stores and exercise centers. People also got back to previous times with the nostalgia and 50's revivals.

"American Graffiti," 50's days at school, and renditions of old songs took people back to times which they tried to reconstruct in their own way. Many sporting milestones were passed during the year: Hank Aaron and his home run record, Indiana and its swimming dynasty downfall, and the Miami Dolphins won their second consecutive Super Bowl Title.

With inflation and increased prices, people became do-it-yourselfers. Kids became more handy and built their own boats, made their own clothes, designed their own jewelry, and grew their own food. While everyone became more aware of every day life, they also became more aware of themselves and their surroundings.

Students travel to Mexico

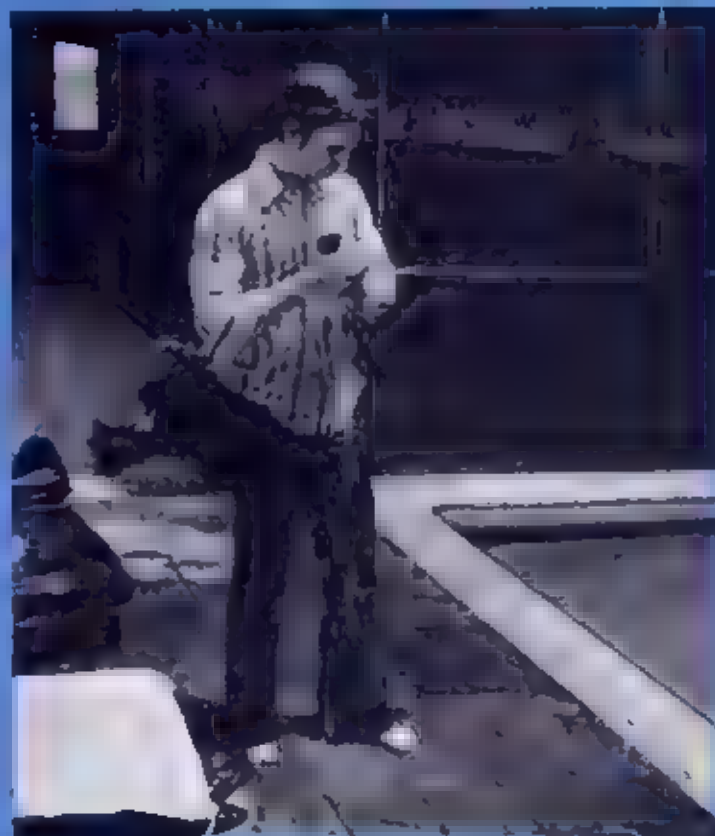

Fifty-eight Snider students spent an exciting spring vacation in Mexico City. This unforgettable trip included many tours and activities. They climbed the pyramids, attended a Spanish mass, visited the Anthropology museum, toured Chapultepec Castle, walked around the University of Mexico, ate at exclusive restaurants, and bargained at the markets.

Topping off the week on Friday, the group spent the entire day in Taxco, the largest silver mining town in the world.

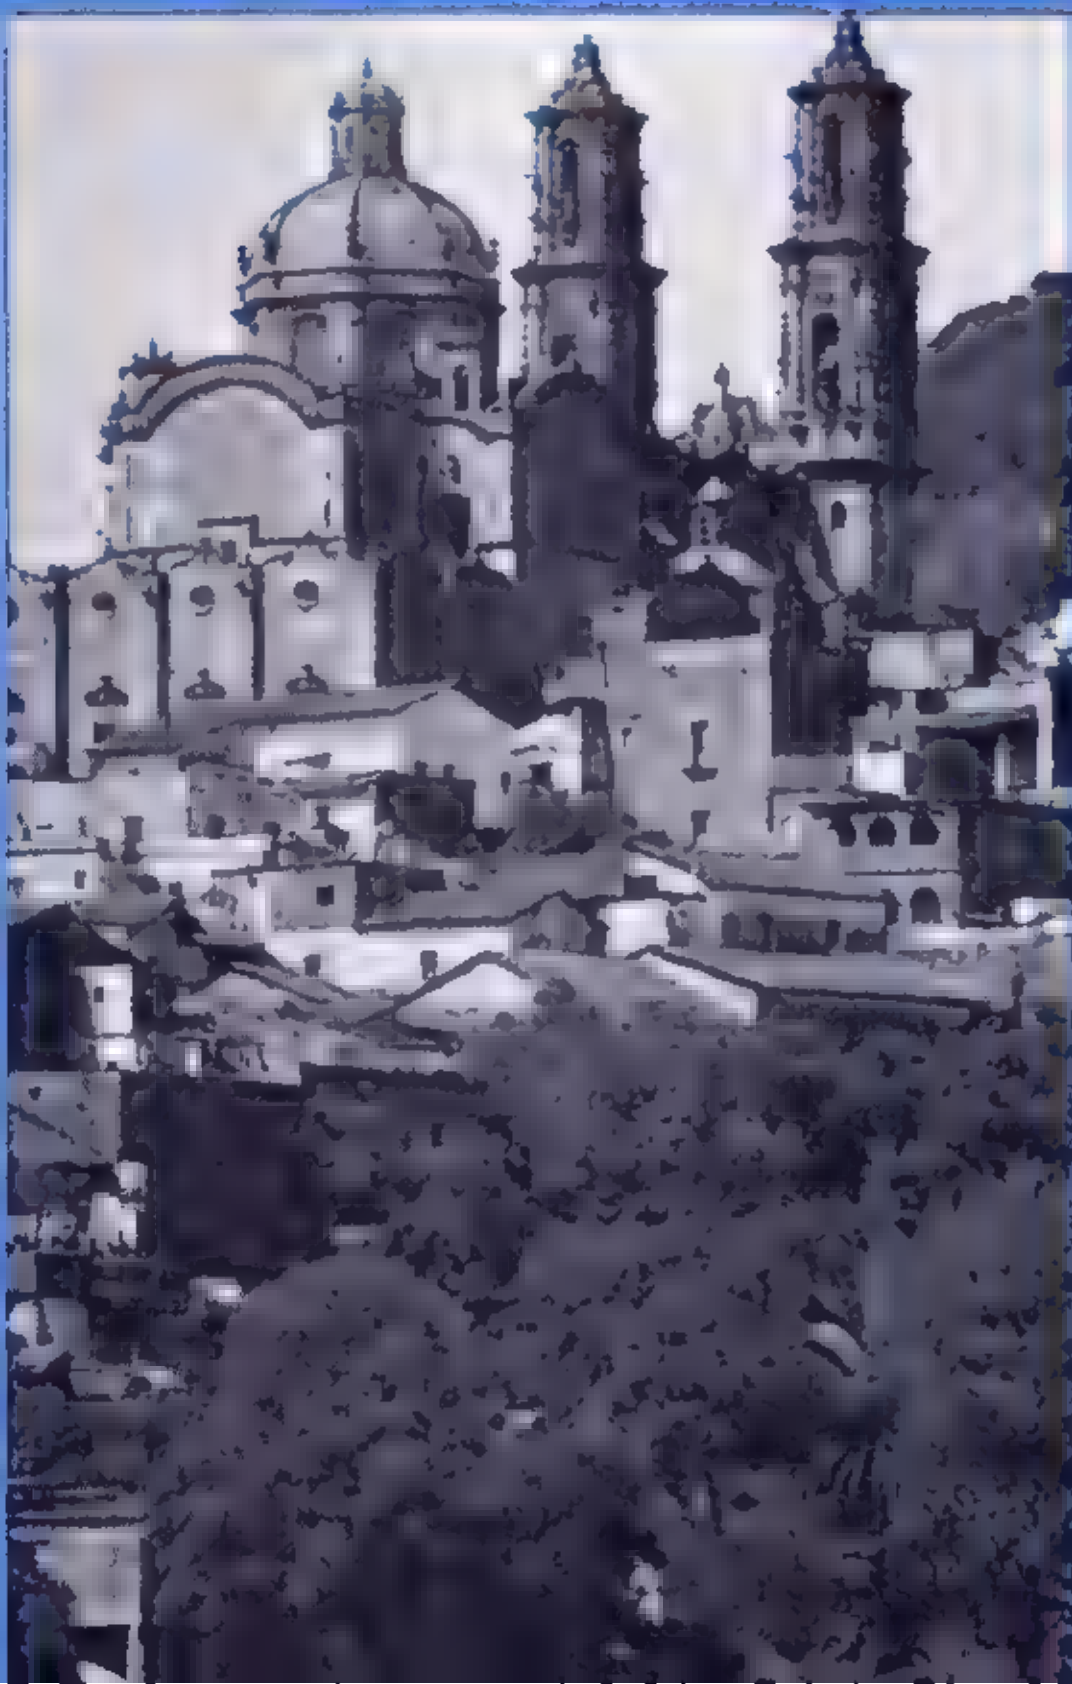

The trip gave the group a chance to use the Spanish they had learned in the classroom and understand the Mexican people a little better. It also brought the students closer together and everyone came home with new friends.

TOP: Well, looks like the Dodgers lost again. RIGHT: "All my girls." BELOW RIGHT: "Do we have to climb all the way back down?" BELOW: This beautifully designed building is the Library of the University of Mexico.

LEFT: Located in the center of Mexico City Square is the stately Fine Arts Building. ABOVE: Matt DeHaven is all wrung out. BELOW LEFT: Over looking the little silver mining town of Taxco is the St. Iglesia de Santa Prisca Church. BELOW: Dave bargains with the vendors muy caro. Menos, menos!

Naturally, not all of a student's time is spent at school. Activities varied from hobbies to jobs to recreation: a week in Florida or a streak at Azar's. Some kids spent a large part of their free time at McDonald's or Charlie's, while many worked at grocery stores, gas stations, and Glenbrook. Bicycling interested more people than ever before, both as exercise and a means of transportation. Those who had their own cars still enjoyed souping them up and racing.

If there weren't any of "those fun parties," the theatres were frequented and "The Exorcist" and "The Sting" were the big movies of the year. But as always there were quiet moments to share with a friend.

**Each day is your
own treasure—
enjoy it**

ABOVE: The Homecoming Court members were: Ellen Schenkel, Vicki Harges, Mary Lou Benthien, Jane Reed, 1972 Queen Karla Boxberger, Chris Slater, Joanne Richard, and Lee Ann Phillips. **RIGHT:** Quarterback Mark Wallace calls the next running play. **BELOW:** The first Panther touchdown came on a carry by Wilbert Anderson in the first quarter. Snider won 21-7.

Reed crowned queen highlights fun week

Snider's annual Homecoming Week was one of the best in our history. Each day had a special event in which a majority of students participated. They included: color day, sucker day, grub day, hats off day, sock-it-to-ern day, and the most popular 50's day.

A pep session, powder-puff football game, car smash, bonfire, and caravan also helped boost the team to a victory over Huntington North on October 12. Senior Jane Reed was crowned Homecoming Queen in half-time activities as a thrilled capacity crowd looked on.

A dance concluded the evening where everyone had a good time.

Pictured are: The Homecoming pep session which brought class races, faculty "cheerleaders", and lots of excitement. The crowd looking on as the court and their escorts were introduced. Band Members, in their favorite uniforms, played "Drums Ride On" at the half-time ceremonies. Kerla Boxberger congratulating Senior Jane Reed, the 1973 Homecoming Queen.

"Nutsy" Miller	Jim Bryan
Newspaper reporter	Matt DeHaven
Ed Keller	Bruce Hill
Myrtle Keller	Sue Bauerle
	Beth Hart

LEFT: "No, he ain't here!" Cleota (Sara Bewley) tells the persistent newspaper reporter (Matt DeHaven). TOP: Tommy Turner (Jeff Shurr) pities himself as he thinks about his disintegrating marriage. ABOVE: After a rousing chorus of "Happy Birthday" for Ellen, cast members take another "drink."

LEFT: In a drunken stupor, Tommy Turner tells his prize pupil Michael Barnes (Tom Redman) about all "The Male Animals." ABOVE: Ellen (Nancy Klefer) listens to her husband try to explain why he should read Vanzeth to his class. BELOW: Myrtle Keller (Sus Bauerle) and Blanche Damon (Cindy Diller) listen to the men talk about the big football game. Everyone did a tremendous job in the story of the controversial editorial which threatened to break up a marriage.

“Essay on Spirit”

Panther school spirit was evident this year in many different ways.

The spirit at the pep sessions was sometimes hiding somewhere under the bleachers. The most successful pep sessions were those with a purpose: Homecoming, Girl's Volleyball In State Finals, and Basketball Sectional. Our cheerleaders put in a lot of hard work to help boost spirit but the only time anyone really expressed it was during Roll Call. The Juniors dominated the show of spirit by receiving the “Spirit Stick” almost everytime.

Girl's sports were strong examples of spirit shown by teams. The participants had the spirit and tried to relay it to others. The volleyball team took second at State and the gymnastic team had a successful season too.

At Christmas time the Lettermen's Club sponsored their annual Can Drive breaking a city record by raising over 17,770 cans to give to the Fort Wayne Christmas Bureau. Mr. Williams' first period class, Room 103, brought in 4,894 cans in a week's time for first place. The Student Council's State School Christmas project was successful too. Students collected over \$900 worth of gifts and gave eleven parties for State School patients.

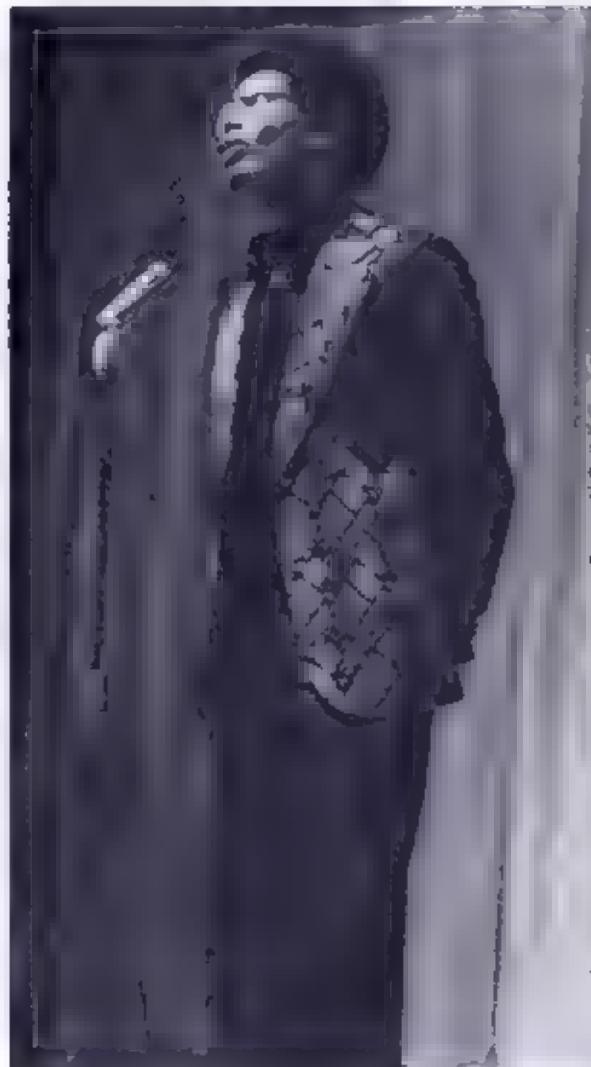

Our Marching Band was the only one from Fort Wayne to receive first or superior ratings in the NISBOVA contest held in October. Our band performed at all home football and basketball games and at all the pep sessions to help boost spirit.

Much club spirit was presented with activities, dances and presentations throughout the year.

TOP: Lori Steffen and Jim Bryan combine their talents to open the 1974 Sketchbook program with the appropriate song, "This is An Opening." ABOVE RIGHT: A little dramatics never hurt, as Julie King and Joanne Schuckel perform a skit. RIGHT: Salvation is the theme, as Mark Timm, as Brother Love, takes command at an old-fashioned revival meeting. BELOW: Satisfying those people who have a country preference, Alan Lloyd, Kent McLeroth and Scott Uhrick, put together a "Blue Grass Medley."

LEFT: Using a variety of songs to express himself, Henry Neal sings his "Love Medley" to appreciative audiences and two standing ovations. **ABOVE:** "In The Ghetto," as performed by Jay McClain and Yvonne Phillips, offer a pleasing, if not somber mood to the all-school performance. **BELOW LEFT:** "I must have been a beautiful baby!" sings Mr. James Clauser, in the teacher's production. **BELOW:** Combining their varied vocal talents, the teachers sing the finale "Everything's Comin' Up Roses".

Photographs and memories

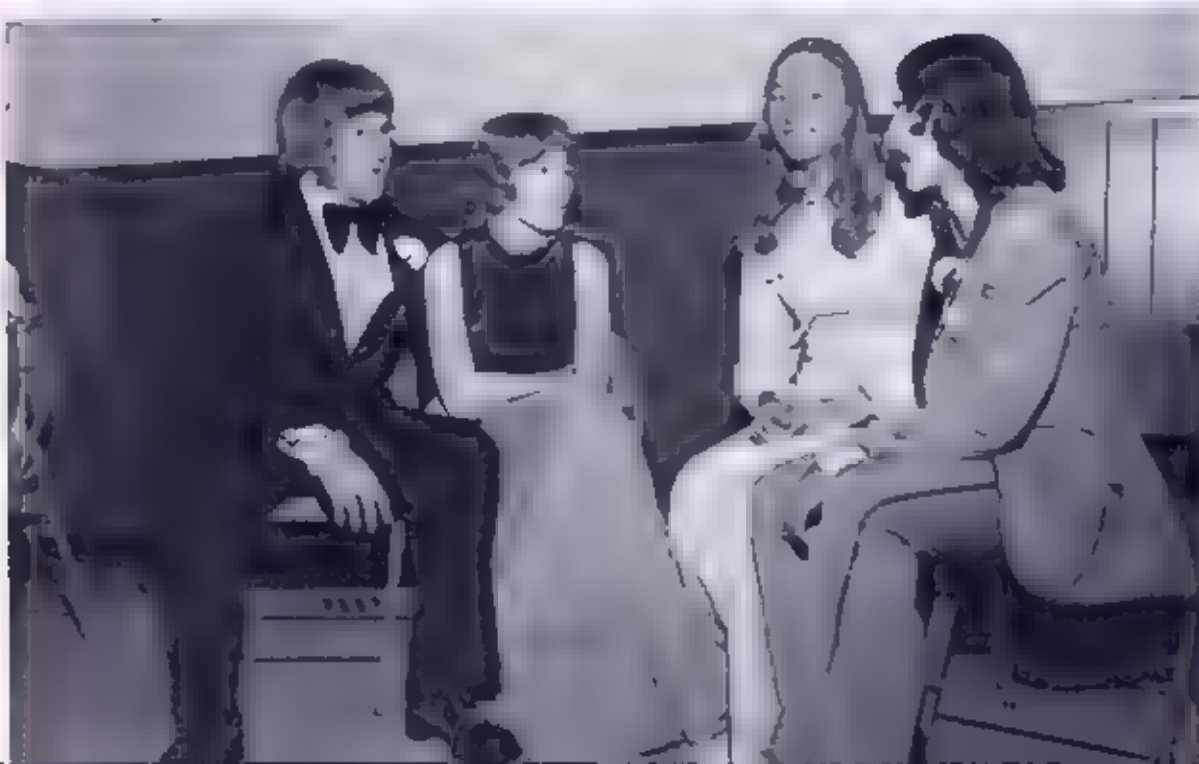

TOP: Al Greenlee helps Amy Davis out of his handsome Model A. **ABOVE:** Mike Calhoun, Peggy Dahm, Robin Bagley, and Rick Huser check out the punch and cookies. **ABOVE RIGHT:** Rhonda Huser and her date seem intrigued in their dancing. **RIGHT:** "The Group" stops for a quick picture. **BELOW:** Jim Berghoff sneaks in a smile while his date is oblivious to it all.

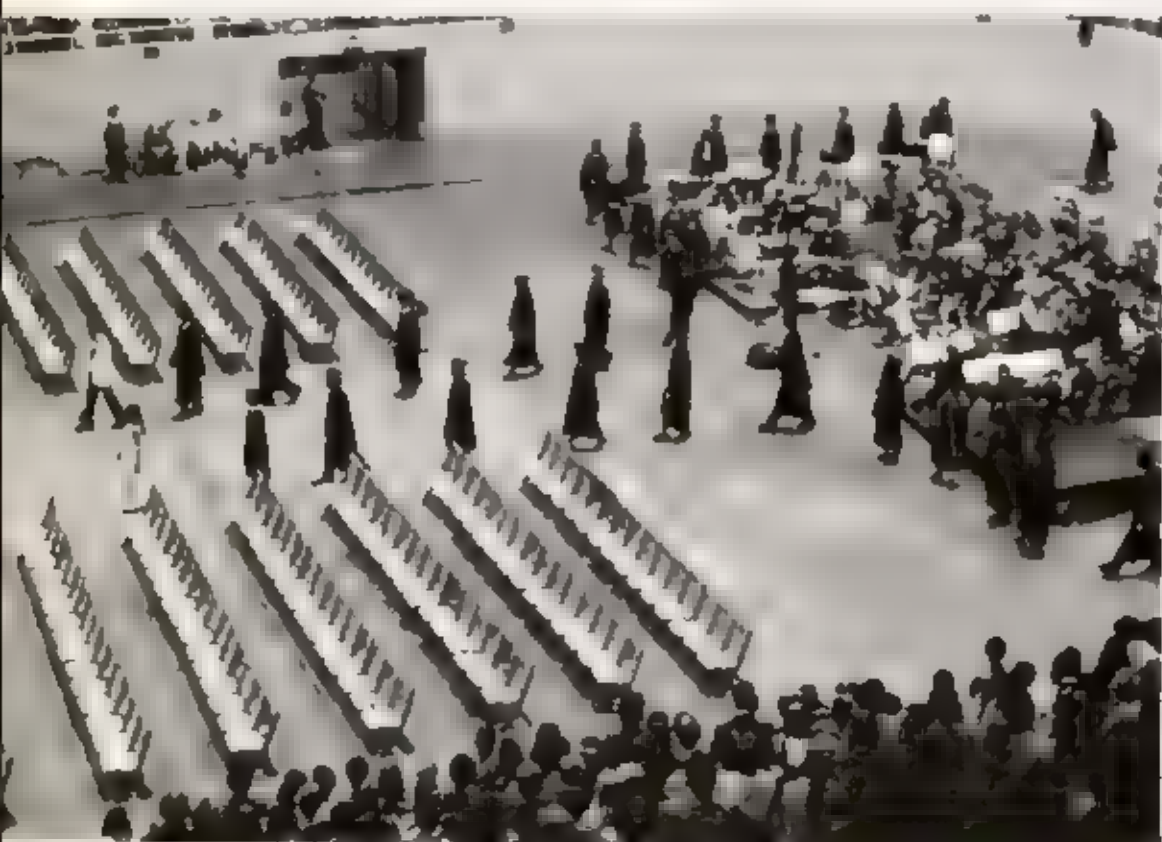

ABOVE: The Senior Prom Court consisted of Sue Venturoni, JoEllen Detwiler, Queen Jana Gehl, Yvonne Phillips, and Amy Ferguson. **LEFT:** Many kids felt like they could have danced all night. **BELOW LEFT:** Chairs were a welcome sight after a long night of dancing. **BELOW:** Eric Rumschlag kisses Jana Gehl while Prom Committee Chairman, Sheryl Larson, watches.

ABOVE: Senior Class President Matt Kennelly and Senior Class Secretary Julie King receive certificates of recognition for their academic achievements at the Senior Recognition Assembly. RIGHT: Marcia Mitson receives the Home Economics in Business award from Mrs. Moore. BELOW: The Senior class marches into the Coliseum to Pomp and Circumstance, led by Junior class officers.

Graduation 1974

LEFT: Student Council President, Mark Timm, gives his farewell address to seniors at the assembly held Thursday evening, May 30. Mark enumerated the accomplishments of the Council. He also said that he thought this year had the highest achieving Council. **ABOVE:** These students received awards for their academic excellence for their three years at Snider. **BELOW:** Hoosier Scholar Toni Anderson tells a joke to unappreciative Tim Becker and Sherry Alendorph.

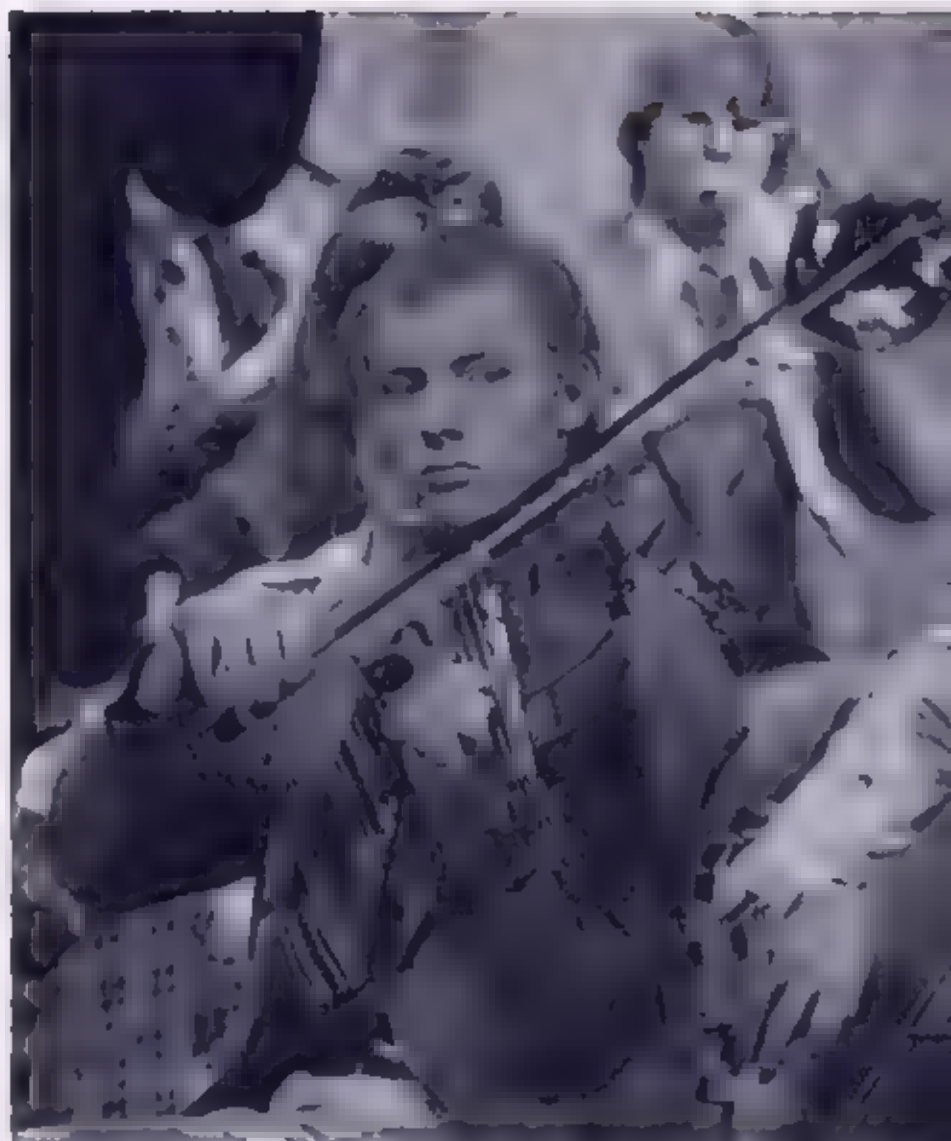

The big day came for four hundred eighty-one seniors on June 2. Valedictorian, Cindy Diller and Salutatorian, Diane Bergoch addressed the graduating students. Mr. Jerry O. Petrie and Mr. Lester Grile offered their congratulatory remarks. President Matt Kennelly led graduates in the tassel ceremony, symbolic of the end of twelve significant years, but also, a new beginning.

As the seniors recessed, caps were thrown in jubilation.

The Varsity Football Team continued the winning tradition with a 5-4 record. Snider remains to be competitive among the state's best teams. This year's team was average in size and speed. The offense scored more points, but more points were scored against the defense.

David Byrne was selected as a punter for the Indiana All-State High School team, while averaging 45 yards per punt. Dwight Robinson was picked for All-Conference Defensive Team as a linebacker.

Finishing with a 23-3 record, the Snider Cross Country team qualified for Regional competition by placing third out of twenty-two teams in the Sectional meet. The reserve team also had a fine season, producing a 20-1 record.

Leading the Panther harriers was Gary Glenn, who established a new school record of 12:09 in the two and one-half mile event. Ralph Crozier ended the season as second man, and was followed by Jon Maler, Steve Blackwell, and Pete Glauque in rounding out the five man squad.

Jeff Nesbitt won the number one spot on the team. Seniors, Gotta and Woodruff, held the next berths with Lew, Stetzel, and Postel, underclassmen, all playing in the top six.

As is evidenced by their 20-1 record, the 1973 girls volleyball team was extremely devoted, hard working and a rare exception to any high school. The girls accomplished something that no other Snider team has ever done, placed second in State!

The girls began their season with their goals set high. Their practices included a minimum of twelve hours a week. They practiced skills and drills but also spent endless hours running for endurance and building strength by the use of the weight machine. Throughout the year the girls gave support to one another. The team's oneness was seen by their complementary playing.

Combining their hours of practice, competitive spirit, natural ability and dedication, the Snider volleyball team had a fantastic year of competition.

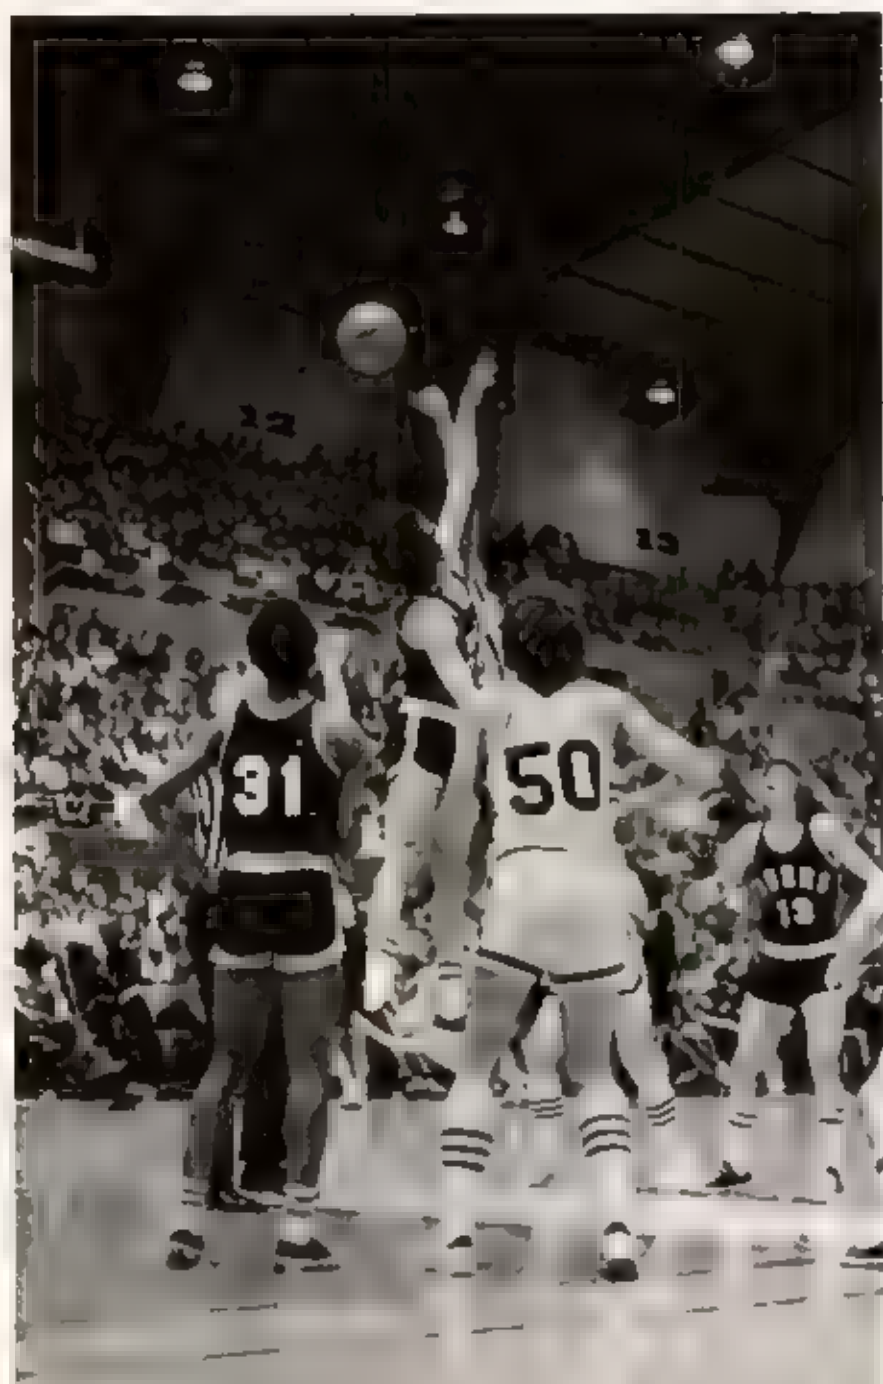

The girls faced only one real challenge in the '73 season—the State game against Mishawaka Marion. Snider can be proud of the girls volleyball team! The team was presented the game ball and each girl received a silver medal.

Many close games disappoint team

Providing Snider students with several very exciting, close games, the Panther basketball team kept both spirit and enthusiasm high. The final season record, 8-14, was the only disappointing factor in the highly competitive season.

Led by seniors Doug Bruick and Jim Newman, the team advanced to the semi-finals of the Sectional championship before losing to Carroll. Several Juniors provided the extra strength; Frank Jackson, Bill Hagler, and Glenn Carr being the predominant players.

A total of five games during the regular season were decided by less than five points. The tough Summit Athletic Conference was led by Northrop who won their first State crown which hadn't been in Fort Wayne for sixteen years.

Girl gymnasts finish undefeated

En route to Sectional championships in both intermediate and optional levels, the girls gymnastics team produced an undefeated season, going 12-0 in regular competition.

Laura Harlan, in intermediate, and Linda Echlin, in optionals, captured all-around championships in Sectionals. Chris Slater took top honors in that meet in the intermediate balance beam. Debbie Parrish won a first in the uneven bars in the same level. Linda Kettlecamp obtained an optional first in floor-e.

By virtue of Regional placings, Parrish, Teetor, and Kettlecamp went to State.

Wrestlers best in Snider's history

Snider's 73-74 wrestling squad was the most successful in Panther history. After an undefeated season and obtaining the SAC championship, the team went on to become Sectional and Regional champions.

It was in individual performances, however, that the team will be remembered. The Panther squad produced three Sectional champs in Carl McBride, Kevin Sibery, and Rob Goshert. Rob and Carl repeated the feat in Regionals, as Paul Viterisi also accomplished the task and became part of the largest group Snider has ever sent to the State meet.

The greatest triumph belonged to Rob Goshert. Climaxing an unprecedented 27-0 season record and Sectional and Regional championships, Rob became the first State champion in Snider's, as well as Fort Wayne's history, by defeating all opponents in the 185 lb. class competition.

Conquering each of their opponents with exceptional ease and obtaining both Sectional and Regional titles with outstanding agility, the Panther track team set the pace for their State Championship season. Gary West, shared the title, scoring 35 points, as did the Panthers.

The Sectional meet saw the team set a new record of 115 points, beating their nearest competitor by 44 points. Eleven Snider trackmen qualified for the Regional meet, as Rob Goshert, Rick Phillips, and the mile relay team of Brian Meeks, Kevin Kelly, Willie Jordan, and Wilbert Anderson all produced new records. Ralph Crozier and Anderson also won individual championships.

With a disastrous 4-18-1 record last year, the Snider Panthers set out to rebuild their reputation in the SAC. Rebuild they did, as they reversed the losing mark, and came home with a 15-11 slate.

Sectionals proved not to be as successful for the Panther team, but individual performances provided excitement.

Terry Milton hurled the first no-hit game of his life, and Doug Bruick went three for three as the Panthers took South Side, 2-0. Luers foiled the Snider team however, as the Panthers went down to a 2-0 verdict at the hands of the Knights, in a much contested and controversial game.

One of the more successful seasons in Panther sports was given by the Snider golf squad. With a season record of 18 wins, 6 losses, and 3 ties, and a North Side Tourney victory, they stood as one of the toughest competitors in the SAC.

Varsity players Greg Pastrick, Jeff Kortz, Marc Summers, David Jensen, Geoff Velpel, and Kathy Scharringhausen also placed fifth of 16 of the state's top teams in the Huntington Tourney. Sectionals found them in fourth place with a combined team score of 317.

Regional champions were Wilbert Anderson in the 440, Rick Phillips in the high jump, and the mile relay team. Nine individuals qualified for the State meet, as Snider sent its biggest delegation in history to the prestigious meet.

At State, Rob Goshert added the State Discus Championship to his wrestling title. In the high jump Rick Phillips placed second, as Dave Byrne took third in the shot put, and Wilbert Anderson placed third in the 440.

Fine Arts provide enjoyment

The Snider Fine Arts Department involves many talented teachers and students in different types of activities to show their creativity and talent.

Besides the courses offered daily at Snider (Art, Orchestra, Band, Stagecraft, Vocal Music, Drama, Music Theory, Music Arts, and Fine Arts), the department also enables students to participate in various activities throughout the year. These include the many concerts, the spring musical, and Swing Choir. Some of the highlights of this year were the band's first rating in the NISBOVA contest, the good showing at the other NISBOVA contests, the fall play, "The Male Animal", the musical, "How to Succeed in Business without Really Trying", and "Sketchbook".

Practical Arts: Life's skills

The Home Economics and Industrial Arts Departments help to prepare Snider students for future careers and for everyday life.

Sewing, Cooking, Drafting, Metals, and Woods

classes involve many students who come up with some very creative and useful items. Other courses offered include: Power Mechanics, Electronics, General Shop, Housing, Family Living, and Child Development.

The ICT (Industrial Cooperative Training) program was again offered this year to interested students. Half a day was spent at Snider while the rest of the day was spent practicing at a training center.

Variety prevails with electives

Again this year, the elective program was an integral part of the Language Arts Department. Through these electives, the student is not only able to gain more background needed for speaking, writing, and reading, but can also choose courses to his own liking.

Some of these electives are: Creative Writing, Articles and Research, Fiction, Scope of Comedy, Speech, Independent Study, Non-Fiction, and Greek and Elizabethan Drama.

Sophomores, again this year, could take regular English for the first semester and then choose electives for the third and fourth quarters.

Through English a greater knowledge of our native language is attained.

History: Key to the future

The relation between past, present, and future events is the background for all history classes. Through these facts and foresight a knowledge of how our world works (or should work) is attained.

This program includes: World History, U.S. History, Government, Sociology, Economics, Values and Issues, and Health and Safety.

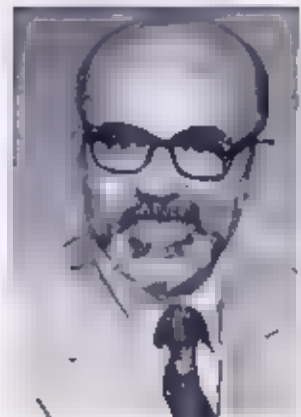

Deb Battle and company discuss places and events during Mr. Volz's U.S. History class.

MR. ELMER FRANZMAN: U.S. History, World History.

Opportunities through Business

Through the many electives offered in the Business Department, students were able to gain skills for possible careers or just for everyday use.

Courses offered in Business include Accounting, Recordkeeping, Typing, Shorthand, Business Law, Special Typing, Business Management, Distributive

Education, and Cooperative Office Education.

The Distributive Education and Cooperative Office Education Programs offer students with previously learned skills to use these in jobs.

Through these and other areas, students are able to gain the knowledge that will help them in the future.

Study of cultures brings under-

The Foreign Language Department is different from the other Academic Departments in the variety of subject matter covered. Besides the various levels of Spanish, French, German, and Latin, this year a culture class was also offered. This class is for those students who wish to learn about a foreign country but for one reason or another do not want to spend the time learning the language.

Extra-curricular activities include the Spanish, French, German, and Latin Clubs and this year a trip to Mexico during Spring break and a pep session during sectional week.

MRS. SOPHIA RODRIGUEZ: Department Chairman, Spanish, Language Clubs Co-sponsor.

MRS. ROSE BLESSING: French, Foreign Language Culture.

MR. CESAR de la GUARDIA: Spanish, Spanish Club Sponsor.

Logical thinking through Math

The Math Department plays a big role in the life of college-bound students at Snider. Those students interested in the Science or Engineering fields need Math as a basic element to further learning in these areas. Others take Math because they will study Math in college or just enjoy the subject. Snider offers many levels of Math to accommodate the wide scope of interest here.

MR. CARL SCHOLZ: Department Chairman, General Math Geometry, Advanced Algebra, Trigonometry, Analytic Geometry.

MISS KATHY BOSSE: Algebra, Geometry, Cheerleader Sponsor.

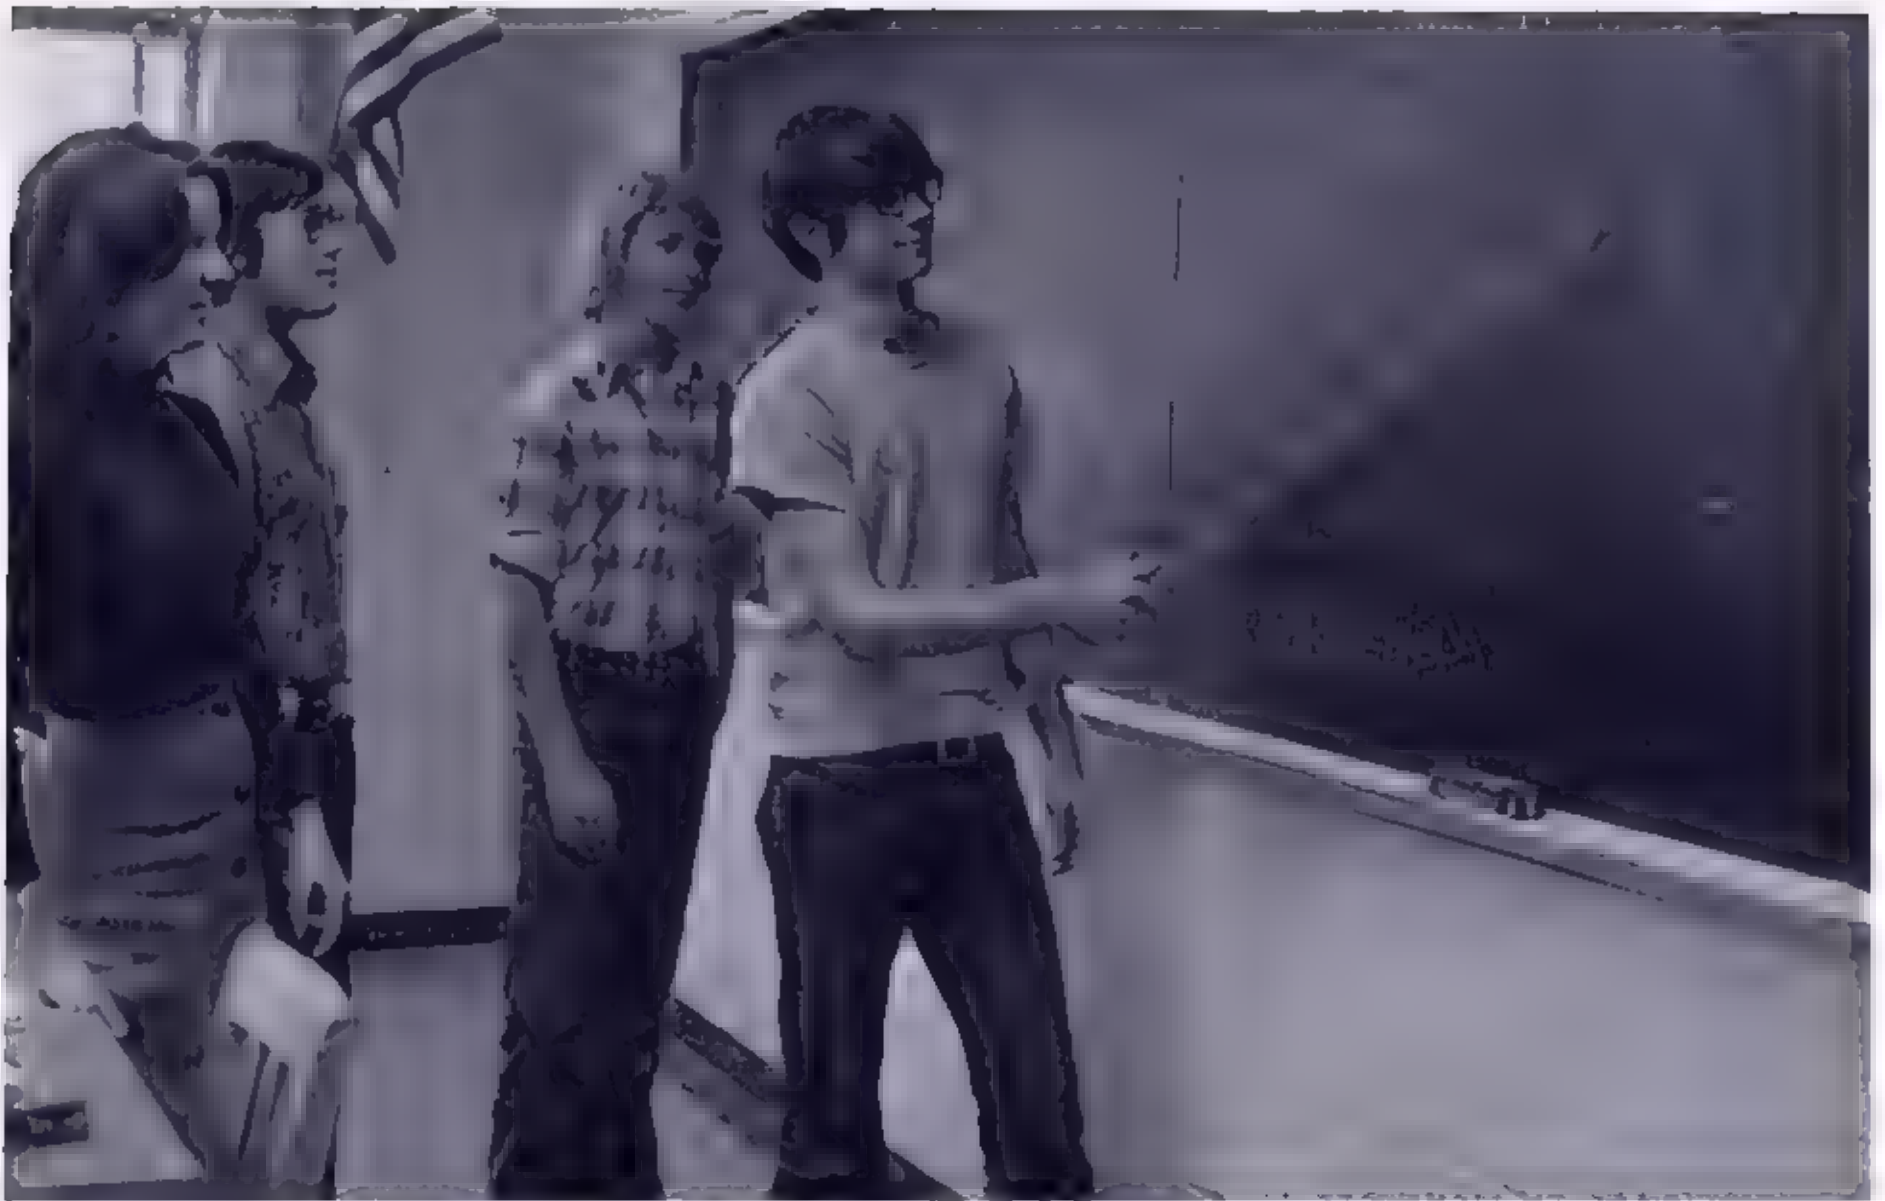

MR. DEAN FAST: General Math, Algebra, Geometry, Assistant Football Coach.

MISS LOIS GUMP: Advanced Algebra, Geometry, Entre Nous Club Sponsor.

MR. LAMAR KILMER: General Math, Algebra, Geometry, Assistant Basketball Coach, Tennis Coach.

MR. DAVID MAINS: Algebra Fundamentals, General Math, Advanced Algebra, Special Advanced Algebra and Trigonometry.

MR. JERRY MILLER: Fundamentals of Algebra, Geometry, Calculus.

Fitness: The key to health

Exercises, Individualized sports, and team sports are some of the many things emphasized by the Physical Education Department in order to keep Snider students physically fit.

Through the regular Physical Education classes, sophomores participated in many different types of sports such as: archery, gymnastics, volleyball, basketball, body building, football, and others.

Juniors and Seniors had the opportunity to go beyond the two years of required P.E. to build skills in more specific areas including: body building, team sports, and gymnastics.

These graceful ladies learn the basic steps of Modern Dance.

The body building machine is the reason for those beautiful Snider physiques.

MR. JAMES GURNELL: Physical Education, Body Building and Team Sports, Assistant Basketball Coach, Assistant Wrestling Coach.
MR. TOM SWIHART: Boys' Physical Education, Gymnastics, Individualized Sports, Body Building and Team Sports, Intramurals Sponsor.

How and why things happen are just two of the many questions asked in a typical Science class at Snider.

To answer these questions, laboratory work, discussions, lectures, films, and demonstrations are used.

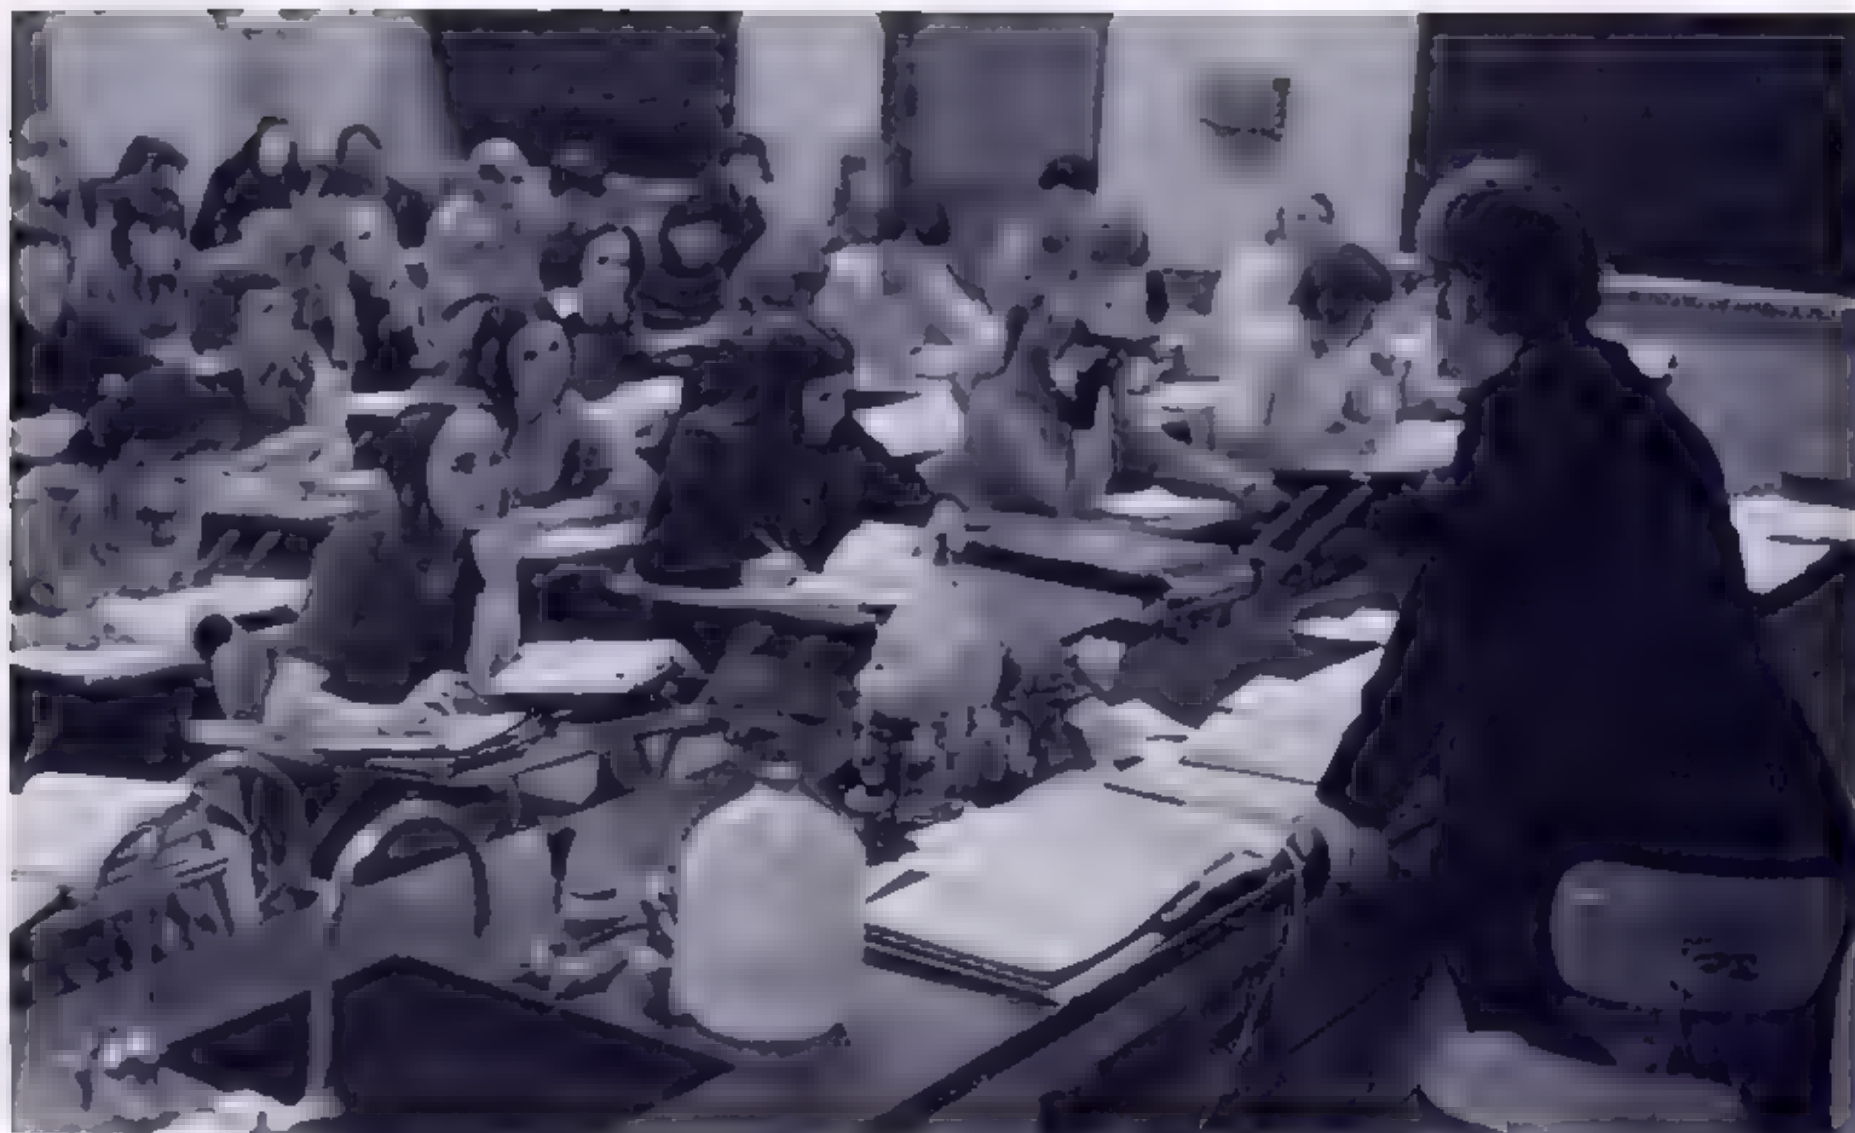

In each of the courses offered (Advanced Biology, Life Science, Physical Science, Chemistry, Advanced Science, and Physics), discovery by the student is emphasized.

Hard work and much pressure are just a few of the worries of Science students, but in the end, a better understanding of the world in which we live will be attained.

Knowledge through experiments

Senior Rob Goshert displays his Sertoma Award. Rob was the first wrestler from Snider, and the first wrestler from Fort Wayne, to win a state title in his weight bracket. Rob was also on the football team and track team. He set new records for the discus throw in track.

Rob was also selected the Sertoma recipient and represented Snider at a banquet.

Seniors led the athletic teams this year, and the letterman's club. Senior Chuck Taylor was elected President of the club, which, under him, had the most successful drive in the history of Snider. The whole school took an active role in collecting the cans. This canned foods drive was sponsored around Christmas time, in addition to the annual Student Council-sponsored Christmas project.

Senior Kathi Scharringhausen practices her golf swing. Kathi is the first girl from Snider to ever receive an athletic scholarship to college. Kathi also played on the previously all-male golf team, since a golf program was not available for girls. She has won several golf championships.

In addition to playing golf, Kathi was on the girls' volleyball team. Under the leadership of Seniors, the volleyball team won sectionals, regionals, and was runnerup in the state competition.

The girls in the Class of 1974 were the first to be eligible for letter jackets. Several girls won jackets as a result of their participation in volleyball, gymnastics, and tennis.

1974 was the second year for inter-scholastic competition for girls. The girls teams were well-received, as many girls participated for two consecutive years. Though young, they represented Snider well in competition.

Senior Renee Rousseau, who played first position on the tennis team, represented Snider well during team competition, in addition to playing in several tournaments during the summer months.

In gymnastics, Laura Harlan, Cathy Teetor, and Chris Slater had particularly outstanding seasons.

Prom provides lasting memories

Lori Steffen and her date enjoy the refreshments served at the annual Junior-Senior Prom, Photographs and Memories.

The prom is planned by the Junior Class, which followed the precedent established by the Class of 1974 of having the prom outside of school.

The Junior class also followed a Class of 1974 precedent in having a prom court and queen. The queen was elected by all couples attending the prom, and the court was elected by class sponsors and representatives of the classes. John Ellett and Natalie Nicholas represented the Senior Class.

The Senior Class Prom Queen was Janna Gehl.

Many people went to after prom parties and breakfasts following the prom, and to Pokagon the next day.

Active Juniors plan annual prom

The Class of '75 started the year by giving the Sophomore Mixer. This year's dance was a big success.

The Big dance of the year, though, was the Junior-Senior Prom. It was held in the Musicians Union Hall with Dick Seeger's Band playing. A great deal of the Juniors' time was taken in planning for the event-filled occasion. Many early-morning meetings characterized the planning. The theme,

Photographs and Memories, was chosen early by the chairmen of the prom committees. Prom colors of burgundy and pink showed up in the programs and decorations. All the planning paid off and the night was a smashing success.

The Class of '75 is one of the most spirited ever. This fact showed up in their motto, "We've got spirit, we've got

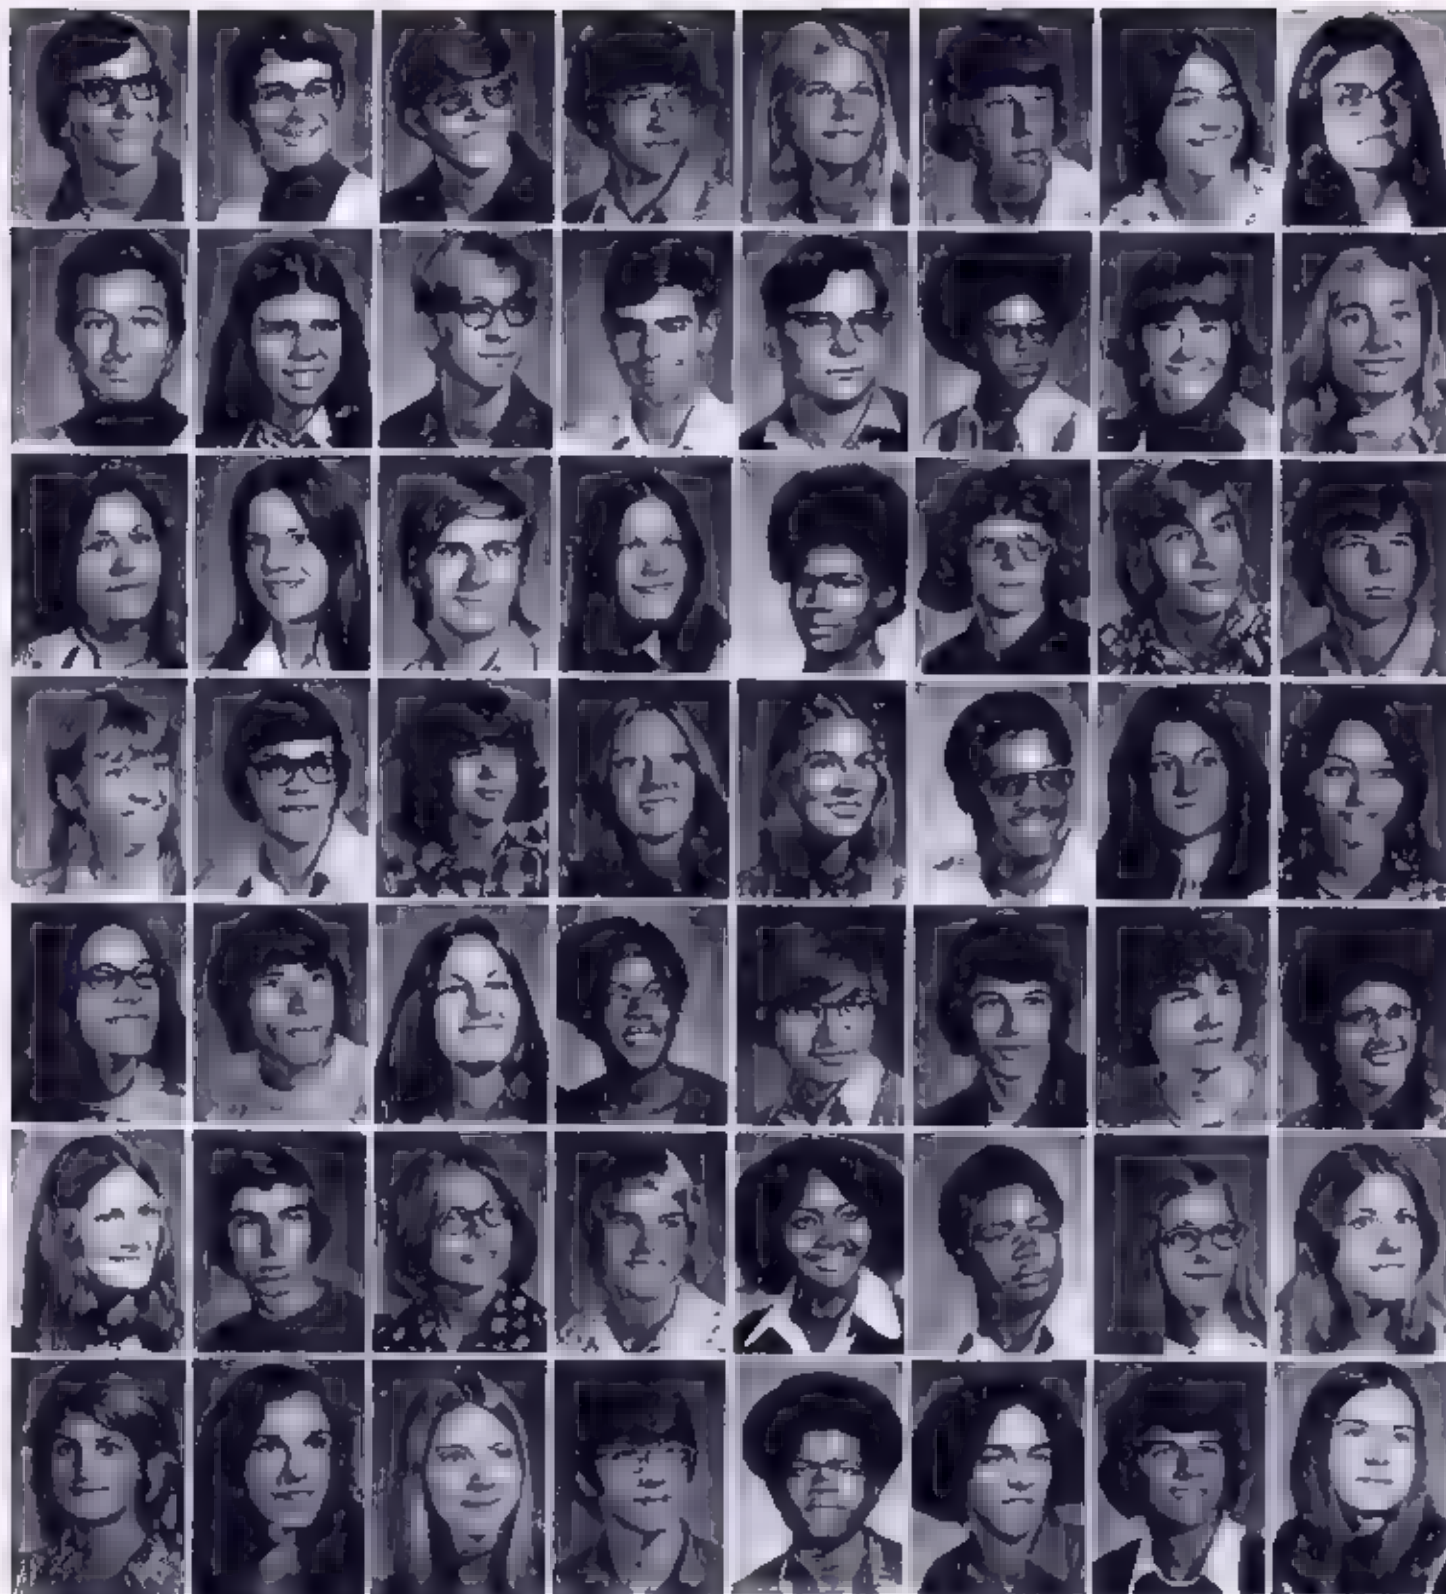

drive; we're the Class of '75." Their great record for winning the "spirit stick" demonstrates how their motto was put to use.

The class had good leadership with their sponsors, Mr. Ted King and Miss Diane Boknecht, helping constantly. With the help of these sponsors and many class members this year culminated and was one of the most progressive ever.

Spirit of '76 becomes reality

Sophomore Class Officers LEFT to RIGHT: Jan Friesell, Treasurer; Jenny Bloom, Secretary; Judy Schenkel, Vice-President; (not pictured, Nelson Peters, President.)

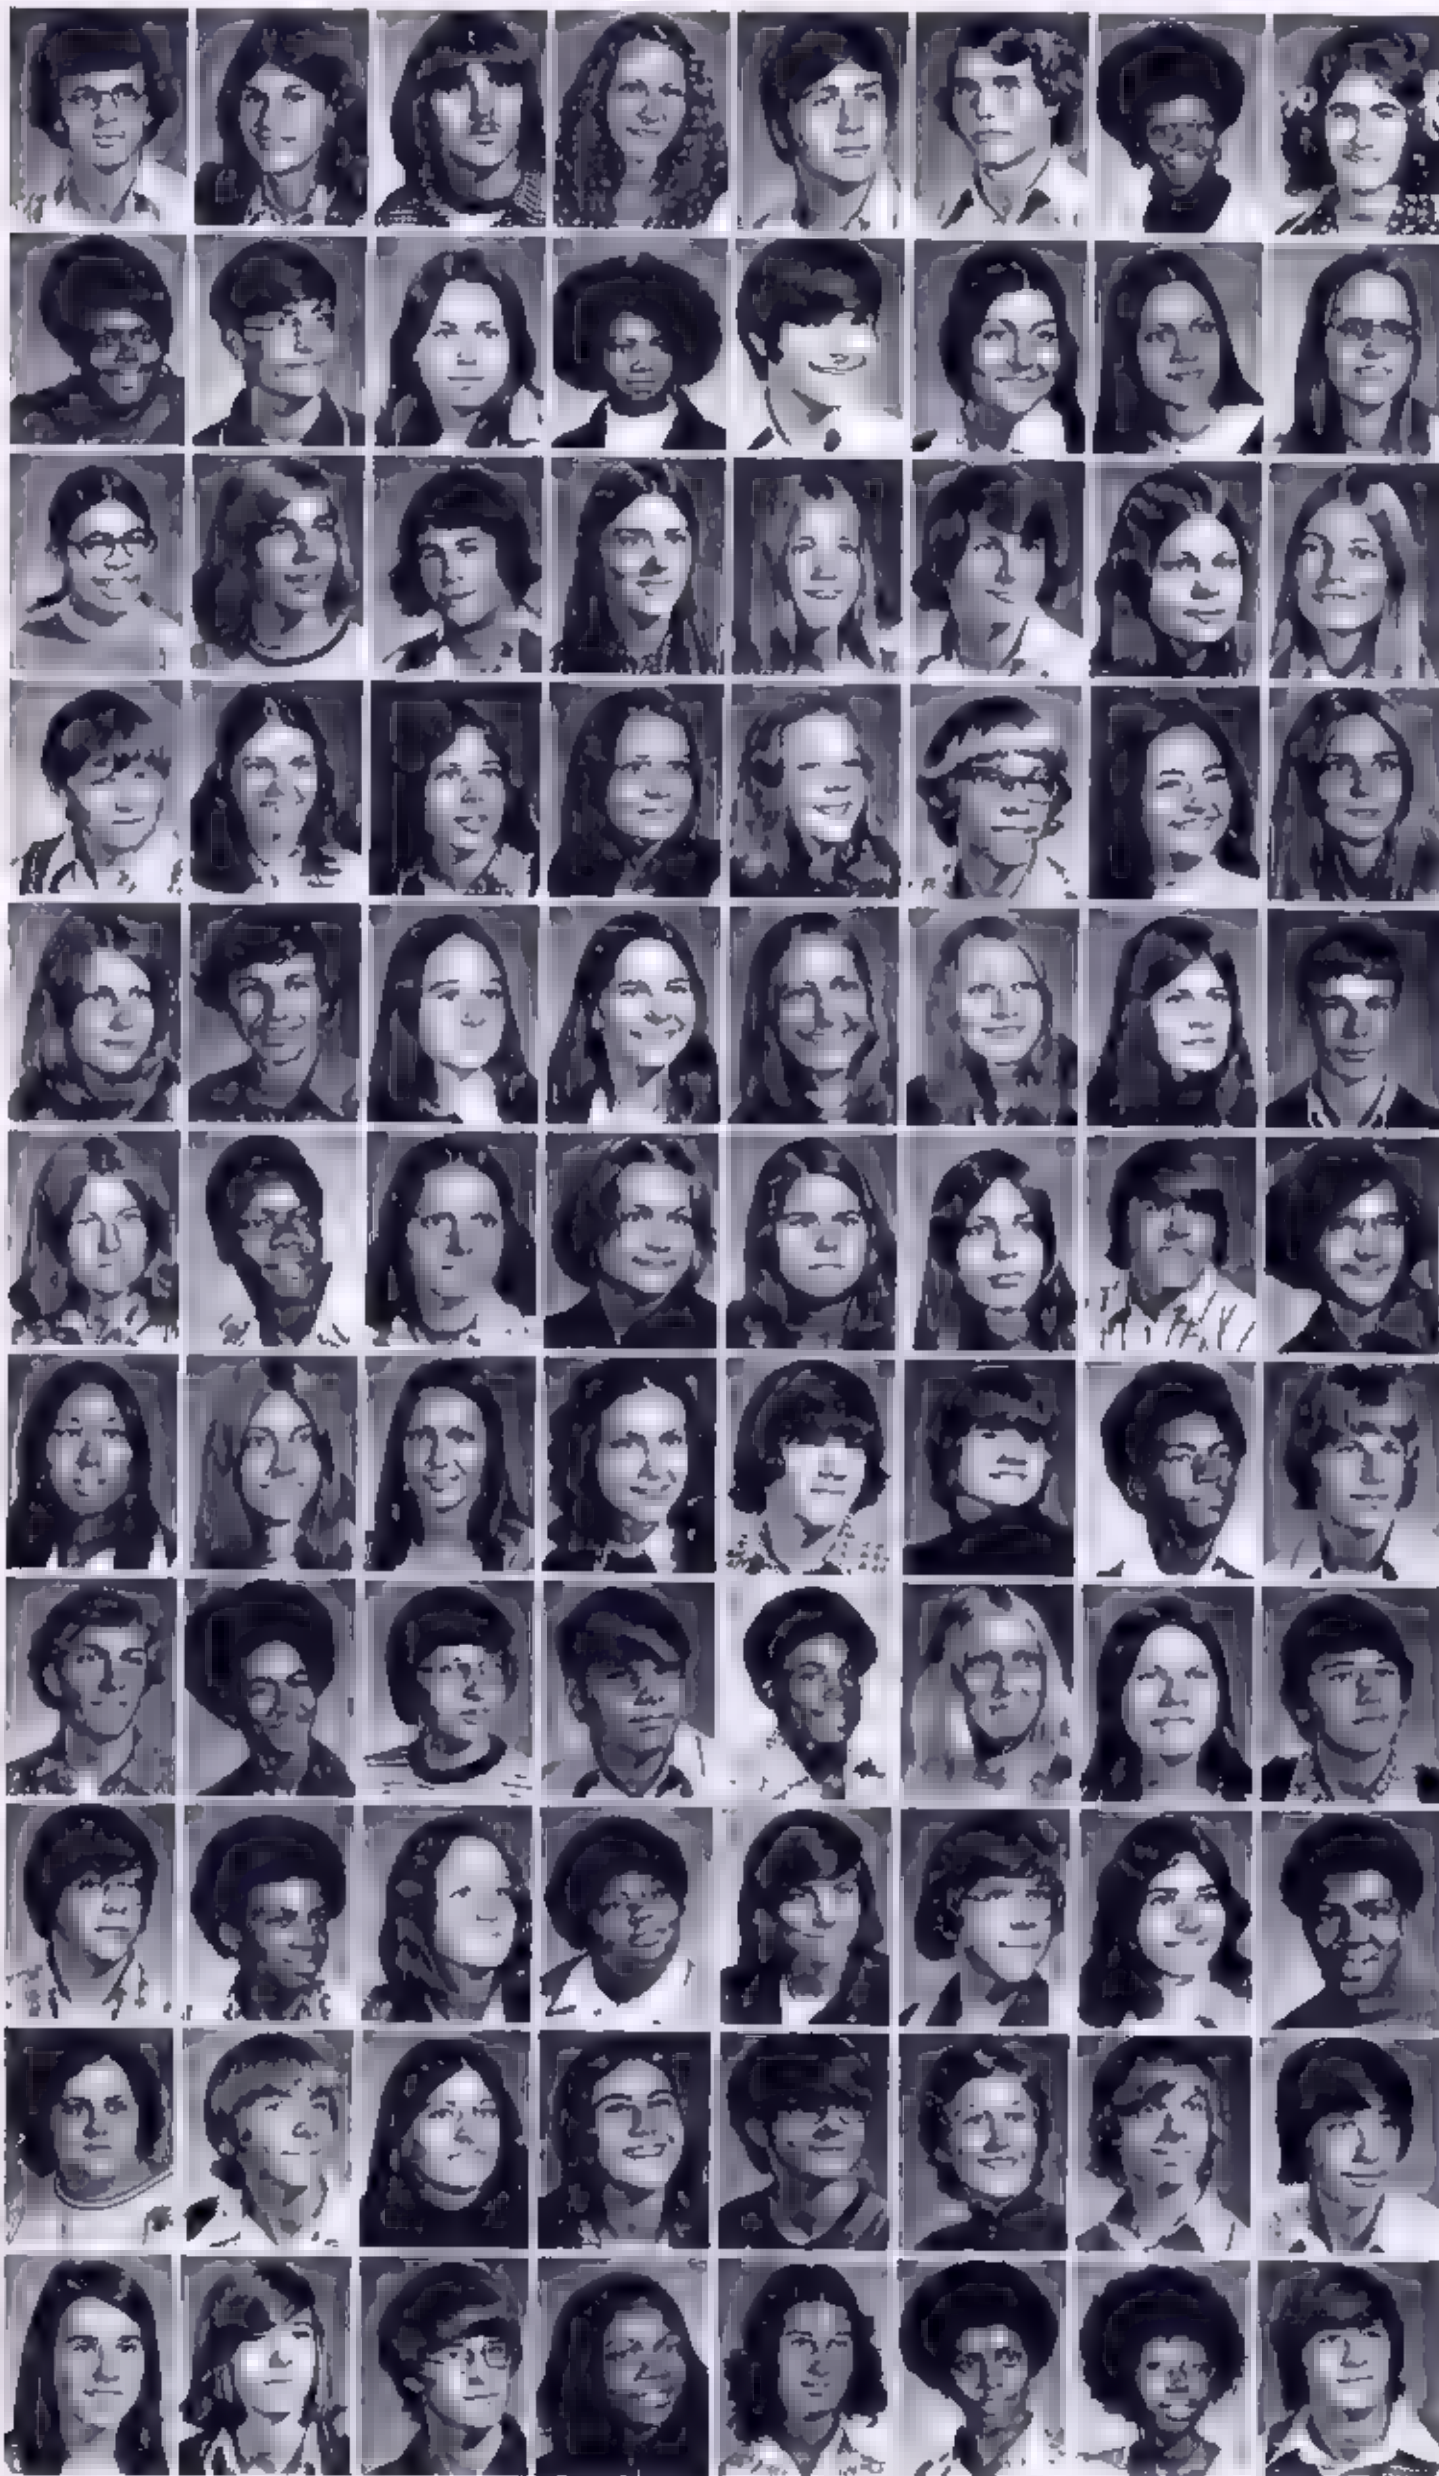

The Spirit of '76 became a reality in September when new faces started finding their way around the halls. To acquaint the class to Snider the Student Council planned an Orientation Night in August.

A full and exciting year of activities started with the Sophomore Mixer. The dance helped to restore old friendships and brought about some new ones.

New classes and clubs kept the Spirit busy. Members of the class took an active part in athletics and fine arts.

A Class Dues Week in December collected a lot of unpaid dues which helped the Spirit participate in an all school "free dance" held in April.

Sophomores took an active part during Spirit Week to make it a success. Many members of the class had fun dressing up for the different days, such as, grub, hat's off, color, and 'sock it to 'em' day. The favorite and most enjoyable was 50's day.

After long, hard work was put into decorating the English hall for Homecoming, those who took the time were satisfied by winning first place for their "Double Feature" hallway rated "G" for GREAT!

Ellen Schenkel and LeAnn Phillips represented the class on the Homecoming Court, while other girls participated in the annual, exciting Powder Puff game.

The "Spirit of '76" showed they truly had spirit by winning the Spirit Stick during the pep session and that same spirit continued throughout the Homecoming victory.

Sophomores are looking onward,

to a new year

to happiness

to rewarding experiences

to success

to different friends

to the future

to their graduation

but most of all,

to not being "little sophomores"

anymore.

**It was a

Cathy - you were my
dearest friend in 7th
grade. Remember Mr. Fugate?
Oh, well so much for remembering.
I wish you the best of luck in
everything. See ya' at McDonalds!
